1966 Falcon Ranchero

Cover: Wilma & Jerry Miles

Wilma and Jerry Miles are always a delightful and welcome addition to any Falcon event. Their sincere friendship, subtle humor and pleasant demeanor all make them and their 1966 Ranchero a natural gathering place. Jerry always does some new custom thing to the Ranchero every year to keep things fresh.

This cover photo of Jerry's Ranchero in Branson at the October Regional came in as the December issue was already very late in production on the Editor's end.

When I heard that especially now, Jerry needs to be in the thoughts and prayers of his FCA family, I knew there was a good reason for all the computer problems and delays in this issue—so it can serve as a reminder to slow down and consider what's really important and to wish well onto others all through the year.

Jerry's Ranchero in Branson sets the Holiday Spirit for this time when we indeed wish for Peace on Earth and Good Will Toward All Men.

The National Falcon News

President's Message

As we enjoy this festive Holiday Season, we remember family and our many Falcon friends made over the years. Let us not forget this great country we share and the brave men and women serving in our armed forces around the world. Thank them for their dedicated service allowing us to enjoy all that we have.

This is the issue that everyone has been waiting for. *The December National Falcon News* is a special edition featuring the National Convention, "Dash to Dover." What a terrific job the Mason Dixon Chapter did of hosting this event. What a beautiful sight—all of those great Falcons together on the Monster Mile and to top that, Falcons under the wings of some of the United States Air Force prized history makers. What a great National Meet celebrating the 30th Anniversary of our Falcon Club of America.

Thanks to the Chapters that hosted Regional Meets in 2009 and a special thanks to all of the FCA members attending these meets, making them a huge success. 2010 promises to be a busy year for Regional Meets and, of course, the 31st

Thanks!

Hosting the National Meet is not over when everybody heads home on Sunday morning. There is clean-up duty, of course, but there is another very big job that gets done behind the scenes.

Making sure every winner at the National Meet has his Falcon's photo in this issue is the goal. Accomplishing this involves photographing every car, obtaining identifying information, compiling a complete and accurate Winner's List, then naming every single file with registration number, class, owner name and year and model. This is no small task of planning, organization and execution. Some years the efforts are more successful than others...

This year, I owe a special thanks to the Mason Dixon Chapter, and Dick Harrington in particular, for providing the material required to make this issue comprehensive and reflective of the 30th National FCA Meet. They did an exceptional job of preparing, carrying out and following through with delivery of material in a timely manner.

Dick Harrington, when not restoring his Ranchero, writing Tech articles, or teaching college, took the time to pull together all the information, provide the lists, registration files and photos perfectly organized and accessible for production. The December issue is always a big one, so the prep work makes a huge difference.

Thank You So Much!

—Ed.

*Delays in production may have caused delivery to be later than usual in the months of November and December. Bulk mail can take 2-3 weeks from mail date to be delivered. Editor apologizes for any inconvenience. If you experience frequent delays or damage, please visit your local Post Office.

*Season's Greetings—
Chuck & Carolyn*
